*Choose Three of the Following:*

*HS-230, HS-250, POL-280, SO-312, SW-214, SW-303, SW-270, WS-228*

It is recommended that students use their electives to pursue areas of interest, as well as to earn a secondary Major or Minor. Health Care Data Analytics (HCDA) is a complimentary Major, with Healthcare Management (HM) a recommended Minor. The built-in flexibility facilitates students earning additional Majors and Minors, and is a strength of the Program.
